Star Wars Battlefront is a video game by DICE, a game developer owned by Electronic Arts. DICE uses the format presented in the first two. The game was released in November 2015 for all players on PC, PlayStation 4 and Xbox One. The PlayStation 4 Pro version was released later in March 2016. An Xbox One version was also released later in October 2016. In Star Wars Battlefront, players control over 150 characters from all seven films in Episode VII: The Force Awakens. Players can also play as Luke Skywalker in a game based on his role in Episode VII: The Force Awakens.
