prefer the SPIN Selling Fieldbook) or, better yet, attend one of the sales courses they ... That was until 1988 when Neil Rackham published SPIN Selling. It was a book that literally turned the entire industry upside down and changed business relationships not only for salespeople but also for people who are not salespeople. I currently work as a consultant and I have seen several generations of consultants grow up who have used this book and its ideas both to change their professional careers and to start new careers as consultants.
