
Vpn One Click Windows Download

VPN One Click has been launched for Windows with a new user interface and enhanced VPN protocol such as IKEv2/IPSec. Added more VPN servers. I-Teco announces the launch of a new version of the VPN One Click product. Windows users are now offered a new version of the program with a new user interface and enhanced VPN protocol such as IKEv2/IPSec. VPN One Click for Windows makes it easy and simple to set up a VPN connection with minimal user interaction. "This is yet another step towards making the solution as simple and straightforward as possible for our customers.
