A software program that performs image-editing tasks. Photoshop isn't the only tool available for photo-editing and design, and many other programs offer similar features for image manipulation. Mac users may prefer Pixelmator because it offers many of the same functions as Photoshop and is free. For Windows users, the free Gimp is also popular, as is the more advanced PhotoPaint. The list also includes free alternatives to Adobe's own suite of image-editing tools, such as PaintShop Pro and Adobe Lightroom.

Personal computer This variant was a workstation used by the IBM PC line for many years. It has an open keyboard design with a built-in optical drive. Its performance in the early years was superior to its rivals, like the Apple Macintosh, but in the late 1980s it was overtaken by Apple's new line of Macintosh computers.

Desktop This type of computer has a flat screen as a primary monitor, a keyboard on the keyboard tray, and, usually, a mouse and a CD/DVD-ROM drive built in. Double-label method for simultaneous evaluation of free and intra-membrane-bound cholesterol by flow cytometry. A cytochemical staining method for simultaneous evaluation of total cholesterol and free cholesterol in cellular plasma membranes is described. The method relies on the catalytic activity of cholesterol oxidase and the identification of oxidation products, cholesterol, oxysterols, 7-DHC and 7-KC by flow cytometry. The technique does not involve permeabilization of cells and allows single-cell analysis. The parameters affecting the reaction have been optimized and the validity of the technique has been confirmed by comparison with data from GC-MS determination and from cholesterol ester-hydrolase and [14C]acetate incorporation assays.

The NFL in Arlington began in the fall of 1997, but the inaugural season featured many of the same teams that the league will have in 2015. New Orleans Saints Dallas Cowboys St. Louis Rams San Diego Chargers Houston Texans Tennessee Titans Kansas City Chiefs Miami Dolphins New York Jets Seattle Seahawks Buffalo Bills Philadelphia Eagles Cleveland Browns Arizona Cardinals Carolina Panthers New England Patriots Green Bay Packers Cincinnati Bengals Pittsburgh Steelers Indianapolis Colts Oakland Raiders New York Giants Tampa Bay Buccaneers San Francisco 49ers Denver Broncos Green Bay (retired) Seattle retired the official Washington state football team's nickname in 2015, The Seahawks, because they no longer have an NFL team. All eight in the 2014 Seahawks season have retired. The Los Angeles Chargers dropped the San Diego Chargers, as the teams share San Diego, California as their respective cities. 2.) Houston Texans In the days when the franchise was the Oilers, the team introduced the Houston Oilers to the American public in the fall of 1993. The football team from Texas will now use the Houston Texans nickname and colors, after the team moved to the American League of the league in 2002. That same year, the Houston Astros baseball team introduced the Houston Astros. 1.) St. Louis Rams In 1960, the St. Louis Cardinals won the National League pennant, but it was the St. Louis Browns in the American League who made history by going to the World Series. St. Louis then won the AL penn
