The Elden Ring is a fantasy action RPG in which the player creates their own character. Its unique story and complex dungeon system combine to create a multilayered story that unfolds in the Lands Between. Elden Ring can be played online either as a single-player game or a co-op multiplayer game with up to three characters. "Man, it's so good to see that Game Freak is still producing long-running games that they didn't have to cheapen to keep up with the Times." AngryJoe. "The gameplay's standard RPG fare, with the added wrinkle of the party being a few hours behind the tutorial group, but as long as it gives me a few hours' diversion while waiting for the real game to come out I can enjoy that." SynnexB. "With no new games to speak of, this is a hell of a way to spend all this time" ZERO. "If you ever wanted a long-running high-quality JRPG that's a bit different then this might be worth it." Lanhro. "As an RPG, I didn't think this could get any better, but it does. The game looks amazing, controls well, and the overall gameplay experience is really enjoyable." Tingle. "After you know how to do nothing in the game, you can finally put up with reading the tutorial or spending half your time doing " The_Rough. "As said in the title, this is not a RPG. This is simple action game packed with puzzles and a lot of insane things." TheArcheaGroup. "A big letdown for a completely spoiled JRPG nut like myself." Chodis. "The gameplay is more similar to Pokemon XY than Final Fantasy X." Chodis. "Immediately after completing Final Fantasy, I decided I'm not touching this game with a 10 ft pole." Truther. "This is free with in-game purchases you can do it all in one piece, like there is something worth waiting." SwingonVoid. "I cannot. Say. Anything. Of. This. Importance. Suffice. It. To. say. I. Was. so. excited. When. I. Saw. It. In. The. Shop. Then. I. Saw. It. In. My. Game. All. I. Can. Say. Is. Wow. That. Is. A. Beautiful. Game. And. It. Is. So. Good. It. Should. Be. Much. More. I. Can.
