For those of you who haven't had the pleasure of seeing a studio performance by RTVSLO, you haven't lived. Joining me on the decks was Volkonsav (of moddable drum machines fame), who came into the studio with brand new, unexpected weapon:Â The WEBSLO. As you'll see from the first episode, the WEBSLO, which is a modifications as well that I'd like to show you. Read more Changes in serotonin turnover in tabrain following sub-chronic exposure to diethylstilbestrol. In the present study we have investigated the effect of sub-chronic exposure to diethylstilbestrol (DES), a synthetic estrogen, on serotonin metabolism in various regions of the rain. DES (1 mg/kg daily s.c. for 14 days) produced significant decreases in brainstem and hypothalamic serotonin turnover and increases in cerebral cortical and hippocampal serotonin turnover in comparison with those of the controls. These changes were more pronounced on Day 7 of the experiment, the effect declining by Day 14. All changes were statistically significant. These results suggest that sub-chronic exposure to DES may alter brain serotonergic neurochemistry as well as behavioural pattern."It's a
