I insert one line break in the last cell of the last row. The line break only is inserted. But, the line and the last cell are missing, how to fix this? A: try hitting "enter" at the end of the cell. ^ ^ ^ CLEVELAND, Ohio -- Crews in Cleveland will hit the road to clear snow in the suburbs, as well as areas around the county. Several suburban communities will be getting special attention in the upcoming push. Here's what you need to know: • Cordovans are being reminded to stay off sidewalks and move carefully. Residents of property abutting snowdrifts should use caution and be careful when driving. There may be additional snow pileups in areas with poor visibility. Roads are not plowed in the street. Ohio law defines sidewalk as anything except a pathway on a city street, so residents should follow the same rules for sidewalks as people in the city do. • Westlake will expand their contract with Johnson to clear more than 55 miles of road. They are also asking people to drive cautiously. Currently, their contract for clearing snow in the city
