
Jazz Composition: Theory And Practice Ted Pease

Download

Berklee College of Music legend Ted Pease explains the processes involved in writing jazz tunes and composing occasional and extended jazz pieces. Jazz ... is music that makes our hearts beat faster, gives life a touch of happiness, and forces us to be more outspoken. Ironically, we can't change the world, but we do have the opportunity to make ourselves and our loved ones happy. "Jazz is the music that helps your hearts beat faster, gives you more pleasure and makes you feel more open." Ted Pizuel was born in 1945 in New York City. He lived in Chicago for many years as a child and has considered himself a Chicago boy ever since.
