Spiderman 2 Pc Game Webhead.exe

June 3, 2019 The full high compression version of Spiderman 2 for PC is only 415MB... Scroll down and double click the Webhead.exe file to launch the game. It will take about 4 hours to complete the game Spiderman 2... Plot The game takes place in New York. In this game, Spider-Man is again dressed in the Spider-Man costume, unlike the previous game. The game takes place several years before the events of Spider-Man, when Peter Parker was still a teenager. In this world, he goes by the name of Martyr, not Spider-Man. He currently works for Dr. Parker, and Parker himself died by sacrificing himself while trying to save Peter from the explosion.
