
Anno 1404 Patch 1.3 Crack __EXCLUSIVE__

Download

Patch 1.3 Changelog for the 3rd and 4th packages: - Added "Difficulty Tune" option that can be set on all map types. It's not really hard to find a map with the lowest difficulty, but most people won't have the free-rock hardened "Level 5" character. This will help them find the map. - Added a new player character by choice with a unique name. They can be used for a specific purpose when not included in the battle royale. - Added a new "Player Companions" character at the end of the battle stage.
