The game is a quality clone of the
LucasArts masterpiece, with
dynamic and spectacular graphics, a
fluid interface, and the ability to
interact with the game directly
through the keyboard. The only
major exception is that XStoryPlayer
has certain glitches that the
LucasArts game did not have. If you

see any errors on this page, please leave a message. The following chart is a list of some of the files that are included in the eXtreme and

Ultimate versions of the game. Some information on these files is included below: * Be sure to unzip these files
